WHISPERING PINES

VOLUME XLII

In 1918, Southwest Mississippi Junior College began as a small agricultural high school in the "Old Hotel" building, boasting a faculty of six members and a student body of thirty-four. The hotel was located in the resort area of Summit, Mississippi, where "Godbold's Mineral Wells" was a well known national health resort noted for its mineral waters. Business was good at the resort until Oliver Seale revealed that the minerals were only scrap iron and fifty pounds of salt which had been poured into the wells.

Today, Southwest Mississippi Junior College is a thriving, productive school. The faculty numbers 45, and the student body over 1,000. The campus covers 45 of the 505 acres owned by the college.

"Come on. Support your school! Of course you want to buy an S.G.A. pen!!" "Everyone be sure to have your car registered here—Farmer Smith is walking around campus with his ticket book." "Take this registration card to your class, this one to the office, this one to the Registrar, and this one to the bookstore." "But we can have only 45 people in this class and I'm sorry, but you're the 46th. Could you change to fifth period?" "Mr. Johnson, I think that I closed my eyes on my I.D. photo."

Steve Lofton wastes no time acquainting himself with the SMJC library facilities.

Selling parking stickers, S.G.A. pens, giving instructions, and passing out handbooks—all a routine part of registration. Sissy Burris, Debbie Bullock, Julie Graves, and Alisa Johnston.

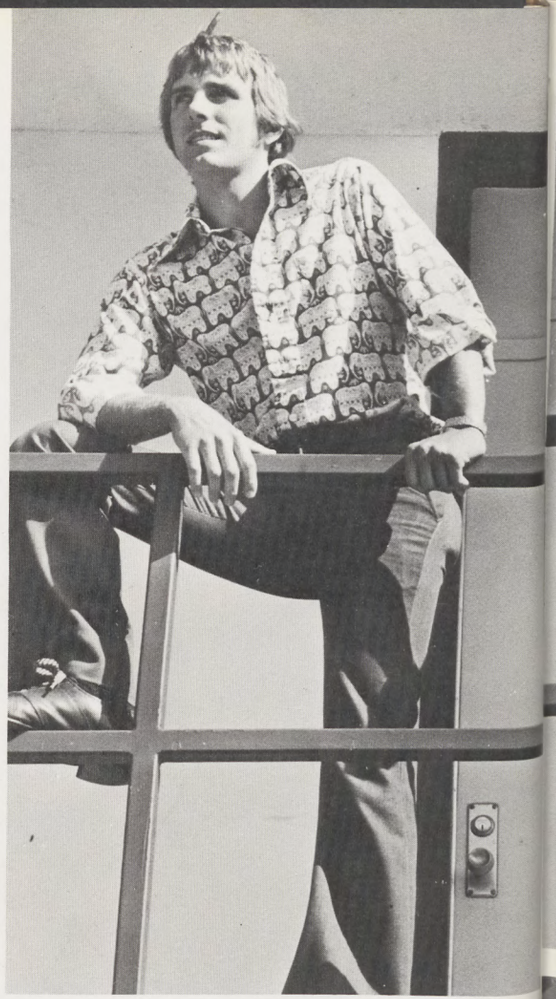

Mrs. Wanda Dunaway directs Dennis Prowell to the Dean Miller while sophomore workers Becky Ott and Debbie Alexander sort the many stacks of registration cards.

Bob Newman and Paul Nunnery seem to have made a new friend.

From atop their second floor suite, Linda Halbert and Kathy Jones seem to be all smiles about the new dorm.

"Aha! Look everybody!"

"Okay Boys, it's 10:00—time for you to go." "Now it's after 11:00, you're supposed to be in your rooms, not out in the terrace." "Mrs. Wilkinson, I lost 30¢ in the candy machine." "Shelly Ford, you've got a long distance call on the downstairs phone." "I'm glad our T.V. finally arrived." "I'm hungry, are the candy machines working yet?" "Hey, can I borrow your homework?" "Beverly Harvey, you forgot to sign in." "Did you know we could stay out an hour later this year?"

Discussing Mr. Fant's Western Civilization test are Jane Kennedy and Bill Dillon.

"Hey, what'd we have for supper?"

"Yum, that strawberry cake looks good!" "Either one glass of tea or one carton of milk, *Not* both." "Hey can I borrow your I.D.?" "Watch out, here comes Mrs. Pope." "Hurry and finish your hamburger so we can go play cards." "Oh no, mystery meat again . . ." "Oh, come on, it's really pretty good!" "Do we get ice-cream today?" "Well, it looks like fried chicken today. . . . Oh boy, I'm starving!"

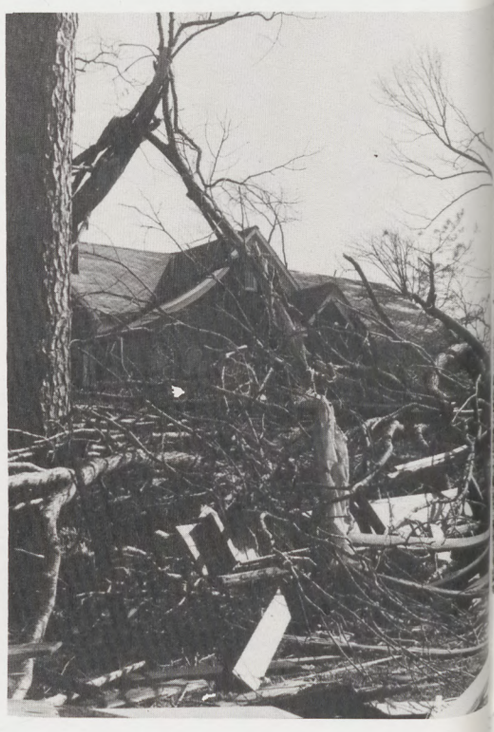

For Some, A Tragedy; For Others, A Miracle

North Pike Elementary School—One of the hardest hit areas.

These homes in North McComb are on adjacent lots. This showed how the tornado destroyed one house and left the one next door unharmed except for a few limbs.

Top: This home on Hi-way 51 in McComb suffered heavy damage. Above: Another demolished home—the winds spared this one nothing. Below: One of the hundreds of old trees uprooted by the storm. Below: The demolished SW Mall is to be rebuilt within the next year

"Oh, it's just a little thunderstorm; It'll pass over." That's what some of us at SMJC thought January 10, 1975, at 8:23. However, those students in classes facing east were looking out the windows watching a dark funnel tossing bricks, lumber, parts of homes, clothes, and other debris, as it danced and skipped in the dark gray sky.

As the storm passed over, taking power lines with it, we were left with no electricity for the rest of the day. As students gazed out windows and saw ambulances, highway-patrolmen, police, and civil defense units squilling through our campus, we knew something disastrous had happened. It was soon learned that North Pike Elementary School, located only one-fourth mile from SMJC had been destroyed by the tornado. Quickness and alertness by the faculty resulted in no deaths or serious injuries of the 400 students.

Our thoughts did not turn to the possible damage the tornado had done to McComb, until we heard on the radio that the SW Mall had been demolished. Still, no one suspected that over one hundred homes and businesses were completely blown away.

Another hard-hit area was along Summit Street in the Burgland Community. Raging, powerful winds sucked an apartment complex up into the sky and strewed it for miles. Numerous homes and buildings were destroyed in this area.

A quite elegant part of McComb suffered greatly from the destructive breeze. Hundreds of "great-grandfather" oak trees were blown up by the roots and laid across the roofs of the homes. In this section of town, our former college president, Mr. H.T. Huddleston made his home. His home was totally lost.

As in every tornado, there were reports of strange experiences. One lady in west McComb heard the storm approaching so she took her new baby and attempted to leave her house. After realizing it would not be safe to leave, she went back inside and got in a closet. When the storm was over, she walked out of the closet to find that the only thing standing in her house was the closet and three walls.

Another lady reported that she found a rug with Rose's Department Store on it that had a dozen eggs in a carton wrapped in it. She opened this carton to find that no eggs were broken.

This was the worst tragedy McComb had suffered in twenty-five years. Luckily, there were no more than twelve deaths. Although, to look at the path of destruction the tornado left, one cannot understand why and how there were not thousands of tragedies.

It will take many years to rebuild the town to what it was. But, let's be thankful we have something left to rebuild.

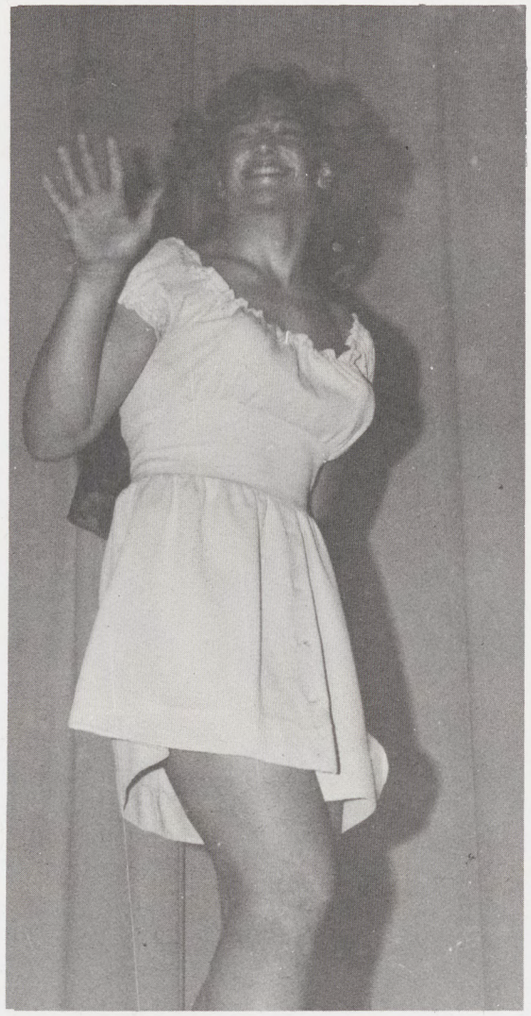

Cookie Crumbles Captures Mess Mama Bear Contest

On February 29, Cookie Crumbles was crowed "Mess Mamma Bear—75." Students, faculty, and vistors attending this assembly donated money which was given to the former president of the college who lost his home in the tornado.

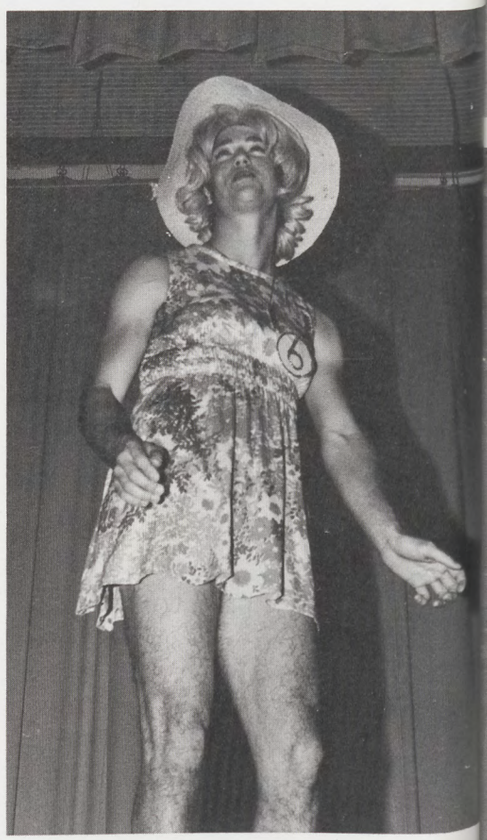

The M.C., Mr. Henry Fant, made the entire audience chuckle throughout the program. He gave an extremely personal description of each contestant. Here are a few facts about the "girls":

Lotta Zits (Jimmy McBride) had a motto which was "I never met a man I didn't like." She was built like a brick dog house and her favorite subject in school was lunch.

First alternate, Leah Tard (Butch Lee) won the baby King-Kong look alike contest. Leah had a very bad temper. During dress rehearsal, she was overheard threatening Marsha Mellow in the rest-room with "watch it skag, knock my mascara brush inna sink again and I'll rip every hair outta ya head!"

what'd ya get?

Presented by all the girls, Mrs. Wilkinson shows her new tray.

Yo ho ho . . . Yo ho ho . . . It wasn't coming from the top of the roof, but from the second floor of the girl's dorm. The sounds kept getting closer and closer; then, the door flew open and much to our surprise there stood Santa Claus and his helper with three bags of gifts. We all got excited as he came down the stairs. Visions of presents danced in our heads. Everyone drew a number and waited patiently for Santa to call us up front to receive our presents.

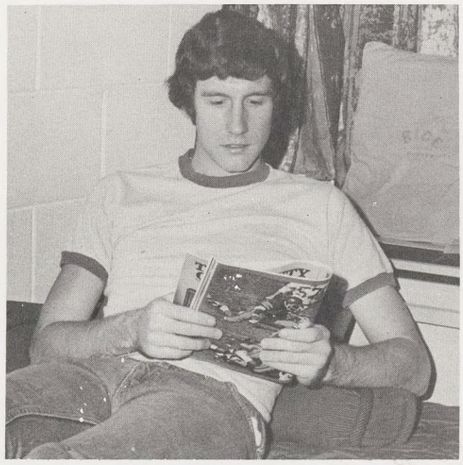

After giving over 100 gifts, Santa and the girls enjoyed refreshments and entertainment.

Having been a bad girl, Debbie Bullock trys to ingratiate herself with Santa and pursuade him to give her a gift.

Coming back for "seconds" are Beverly Harvey and Vickie Persick.

A Season Awaits With Glory In Her Eyes.

The Thrill of Victory—The Agony of Defeat

1974-75 Bear football turned out to be the most exciting in many years. The following is a recap of the nine games played during the season beginning with the SMJC, Delta loss to Carmen in the Hurricane Bowl, and ending with the winning of All-American honors by Dennis Newman.

Sept. 7—SMJC 0 Delta 0 Carmen 2
Both teams were ready for the nondivisional season opener, but rain and strong winds from Hurricane Carmen forced the cancellation of the game, until next year.

Sept. 7—SMJC 13 Hinds 6
The Bears who had tasted the sweet honey of victory only once in the last two years, awoke from hibernation, to smash the Hinds Eagles before a large crowd on the Eagles' home field. Fine defensive play by the Bears, along with the help of five Hinds turnovers helped the Bears gain victory number one of the season.

Defensive end James Atkins, raced 60 yards with an interception for the first Bear score. Quarterback Joel Moncrief added the final score on a plunge from the two yard line.

Sept. 19—SMJC 17 Itawamba 7
In the home opener, the Bears put their spectacular defense together with a fine offensive rushing attack to bury the visiting Indians.

Dennis Newman was the stand-out defensive player with four interceptions. Newman started the scoring with the returning of his first interception 45 yards for a TD. Barry McNabb booted a 30 yard field goal, and tailback, Tom Womack carried the ball one yard for the final score of the night.

James "Scat" Williams paced the Bears' offensive attack rushing for 177 yards.

Oct. 3—SMJC 20 Jones 7
It was a defensive battle all the way, with the Bears picking up only 141 in total yards, and Jones only 155.

Bear All-American, Dennis Newman provided the most exciting play of the game when he raced 70 yards for a TD on a punt return. Scat Williams added the other Bear tallies on runs of eight and two yards.

The win left the Bears 3-0 and in first place in the South, going into the game with arch-rival Co-Lin the next week.

Oct. 12—SMJC 19 Co-Lin 21
"It was a heartbreaker" said Bear head coach Floyd Davis about his Bears' first loss of the season.

It was a tough one to lose after the Bears had battled back so hard time and time again to take the lead 19-14, on Tom Womack's two yard run with six minutes remaining in the game. Then it all ended with less than two minutes remaining in the game, when Co-Lin, with a fourth and one situation at the Bear 26 caught the Bears looking for a short dive up the middle, and sent their fleet running back Daryl Charrier outside for the 26 yard touchdown run. Bear receiver Greg Walsh, had a great night catching nine passes for 135 yards.

Oct. 19—SMJC 10 Gulf Coast 20
Gulf Coast came to Bear Country to do three things. One was to win, take first place in the South Division, and to spoil Southwest Homecoming. Much to the regret of the Bears, they accomplished all three of these goals.

The Bear offense seemed to miss Scat Williams who was out for the second week in in a row with a leg injury.

Jed Wall collected the only Bear TD one on a one yard run. David McKey added a 27 yard field goal in the dismal Bear game.

Oct. 26—SMJC 14 East Central 6
The Bear defense returned to their old form to prevent a disaster. Moose Tolbert and Joe Young were just two of the hard hitting stand-outs for the Bears.

On offense, Jed Wall and Tom Womack each scored a TD to help spearhead the Bear ground attack.

Nov. 2—SMJC 6 Pearl River 37
It was a sad trip home for the many Bear fans and players that made the long trip to Poplarville for what they had hoped to see was a Bear victory and the South Division title.

The only thing Bear fans had to cheer about was the TD pass from Joel Moncrief to Craig Hornsby.

Nov. 9—SMJC 9 East Ms. 6
The Bears bounced back like all good teams do, to assure themselves of a winning season with an upset victory over nationally top ranked, East Mississippi.

The game took its toll on the Bear players, with Joel Moncrief leaving after only four plays with a shoulder separation. He was followed by linesmen Rudy Oden and Kenny Corken with knee and ankle injuries. Late in the game, Craig Hornsby was cut down with a knee injury.

The Bear scores came on a safety, and an eight-yard run by Jed Wall. Wall's run was set by defensive back, Wilford Case who made a key interception to set up the score.

Nov. 14—SMJC 20 Northeast 20
The Bears travelled to Booneville for their final game of the season. They were greeted with cold weather, snow, and a red hot group of Northeast Tigers.

David McKey filled in for the injured Moncrief and performed excellently for a Freshman quarterback, hitting Jimmy Hutson for a 30 yard TD pass and scoring on a five yard run.

Back up quarterback, Eddie Smet, collected the final Bear score on a one-yard sneak, following a come-from-behind-drive late in the final quarter to tie the score 20-20.

Lineman Bob Newman came away from the 13-6 victory over Hinds with a broken nose. Below: Sophomore Wilford Case gets set to lower the boom on Hinds ball carrier. Left: Quarterback Joel Moncrief barks out signals over the most outstanding lineman in the South Division, center Jimmy McBride.

Barry McNabb . . . All-State, All-Star

Dennis Newman . . . All-State, All-Star, All-American

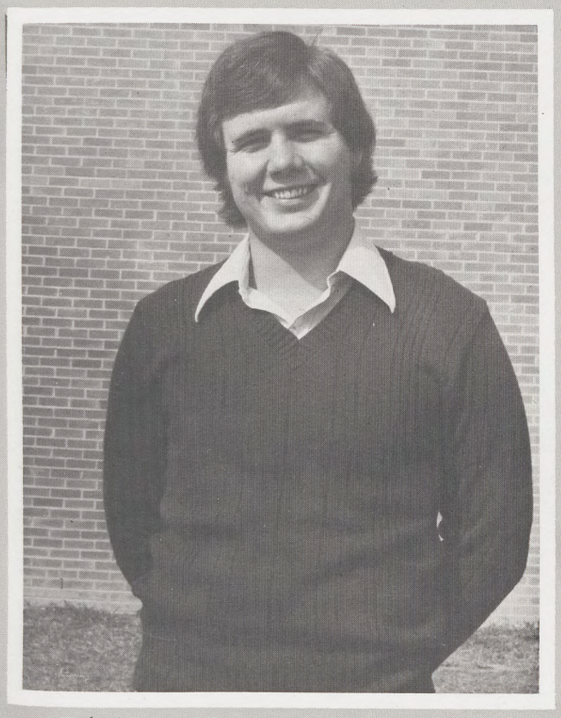

Southwest distinguished itself among the State's Junior College football teams by placing five of its players on the All-State Squad and having two of those chosen as the best in their fields.

Jimmy McBride was named most outstanding linesman in the South Division and Dennis Newman was named the most outstanding back.

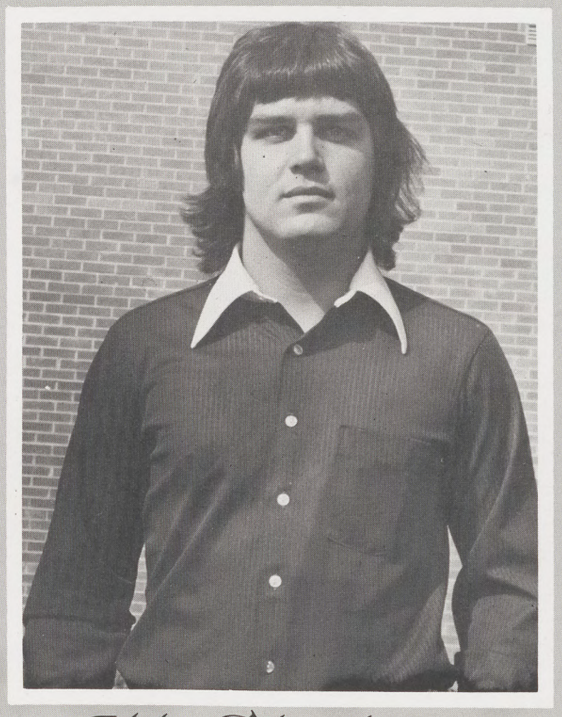

The three other players also named were Paul Miller, an interior lineman who stands 6'2" and weighs 235. McNabb was selected for his ability to boom punts more than 50 yards. He is a sophomore and is 6' and weighs 225 pounds. Joe Young, 6'1", 235 athlete has been outstanding at defensive tackle for the Bears.

Another award was bestowed on stand-out Dennis Newman: ALL-AMERICAN in the Junior College team. Newman, a 6', 190-pounder, was one of the leaders on the victorious Bear Team this season.

Veteran Bears Boast Best Record In Years

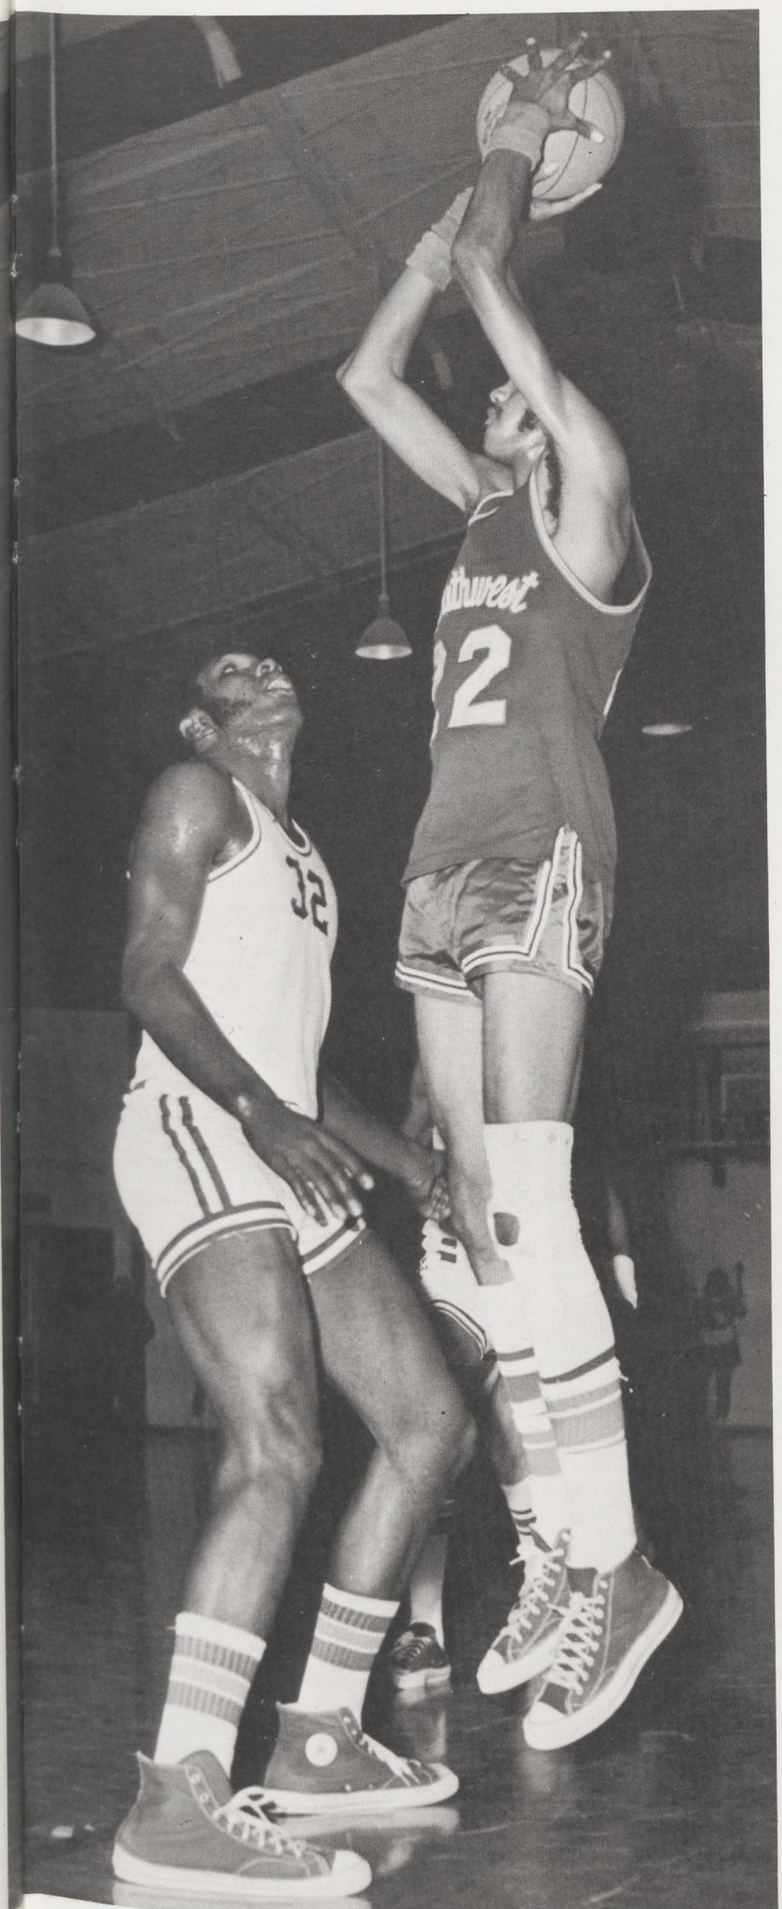

First Row: John Ball, Jackie Price, Billy Froechtenicht, Louis Boyd, Anderson Taplin. Second Row: Coach Oliver Young, Dennis Prowell, Tim Gonda, Milton Murphy, Lynell Mathews, Tyler Thompson, Paul Hough, Bobby Wells, Mike Varnado, Robert Felder, Jimmy Thomas.

Great Expectations characterized the attitude of Bear Fans as the 1974 cage season neared. Returning were four starters and two top substitutes from the 12-12 season of a year ago. Southwest ranked among the State powers in early polls. Leadership abound as Coach Oliver Young's Bears posted a balanced attack with five men averaging in double figures. Led by 6'7" All-State, Tyler Thompson, playmaker "Frog" Froechtenicht, forwards, Lynell Mathews, Robert Felder, and Guard, Paul Hough, Southwest became regarded as the team to beat in the South Division. Good performances by veterans Anderson Taplin, John Ball and freshman Dennis Prowell constituted a team completeness so essential to a winning tradition.

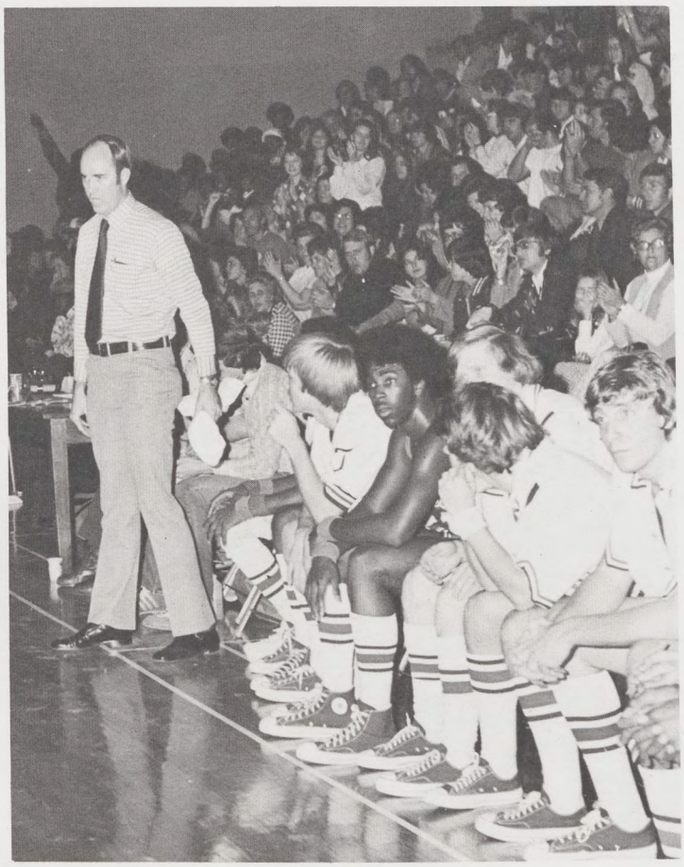

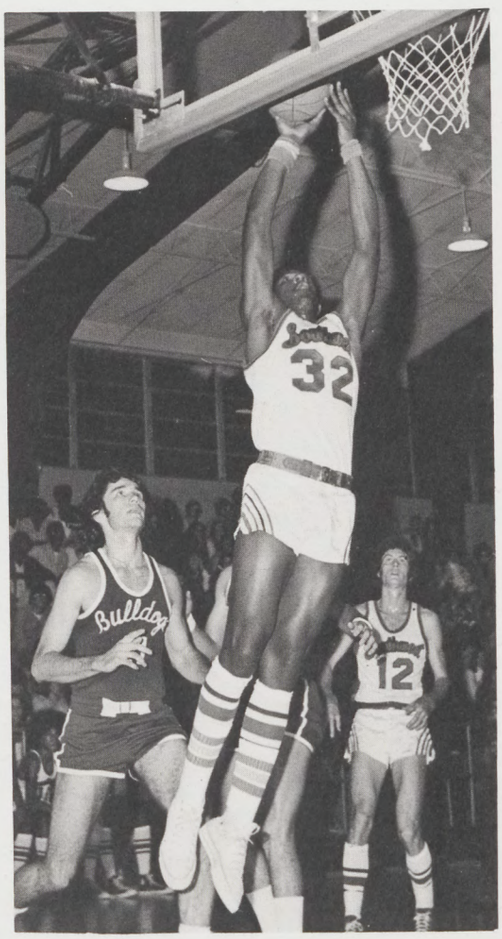

Billy Froechtenicht passes the ball to a teammate in an 80-74 victory over arch-rival Co-Lin.

Much to the dissatisfaction of Eugene Smith, Tyler Thompson scores again.

Coach Young calls a play from the bench.

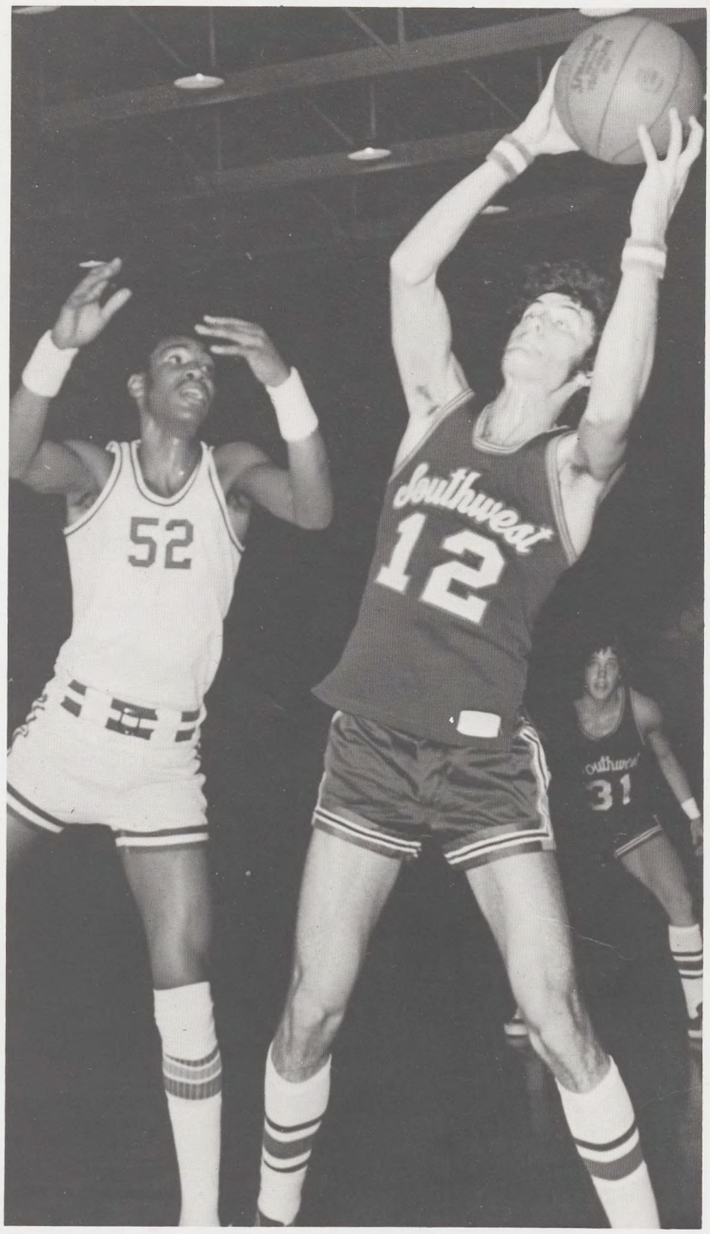

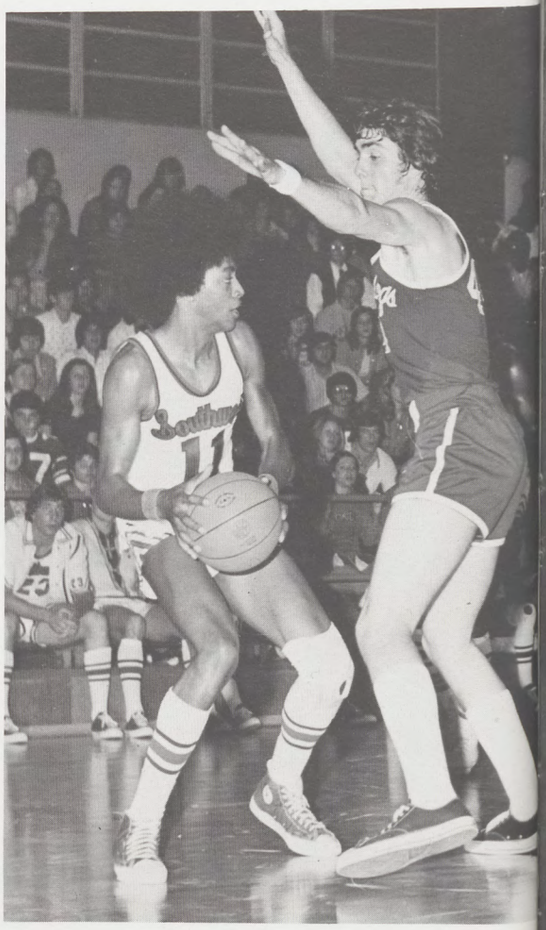

Lynell Mathews muscles in for an easy score against Holmes.

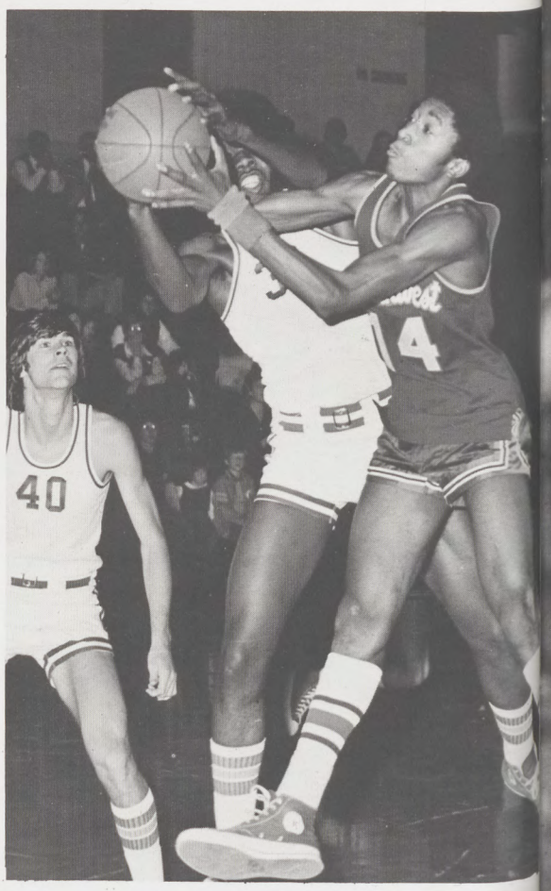

Bear's Capture Southwest Invitational

Southwest initiated the '74 season in a grand fashion with an 87-74 romp past Holmes. A ten-point loss to highly regarded Delta did not shake Southwest's confidence as the Bear's swamped arch-rival Co-Lin and surprised powerful Utica enroute to the Southwest Invitational Championship. The Bears finished the first half of the season with an unblemished conference record to earn first place in the division.

Many factors contributed to Southwest's winning season, but none were more important than the Bear's ability to win the close games. Experience, poise, and confidence enabled Southwest to post such victories as the last second 65-63 come from behind conquest of Holmes and "Frog's" off balanced shot at the buzzer that beat Gulf Coast. Such memory makers highlighted the '74-'75 Cage Season, making it one of the most exciting years ever.

The girls' basketball team worked hard through-out the season to achieve the success they did.

With Coach Linda Harper at the helm, the team consist of sophomores Georgette Cooper, Valley Forge Academy; Patty Myers, Brookhaven Academy; Treva Pigott, Tylertown High; and Carol Smith, Greensburge High; and freshman include Janie Cooper, Valley Forge; Debbie Etheridge, Salem High; Martha Guilley, Huntington Academy, Jackie Moak, North Pike; Belinda Morse, Ponchatoula High; Bonnie Nunnery, South Pike; Janet Passman. It wasn't too long ago that a girls' Basketball game was a sports writers nightmare and today it is looked down on by many scribes and members of the coaching professional as well.

But the question being asked today is this: "Is girls' basketball for real?"
The answer is: "you can bet your green onions on it."

Girls' basketball is here to stay and is growing in interest and talent every year. It could well be one of the fastest growing sports in America.

Yes, I can remember when clumsy ole girls made a feeble attempt at this MAN'S sport and those big sissies had to play half court. Those bumbling, stumbling gals were doing good if they could keep from killing each other.

But things have changed so much, so quickly, that the game has developed into a real sport.

For one thing, the game itself has changed. Girls' basketball is no longer played with half court and no longer used six players. It is a full court, five players, and under a thirty second shooting clock that makes the game especially fast and exciting.

Another thing that has changed greatly is the player. Certainly, she's come a long way.

Today's girls' basketball player can hit those low percentage shots from the outside. SMJC's Coot Gilley does it every game.

Today's player can hand the ball in a highly efficient manner. Georgette Cooper is one of the better players in this area.

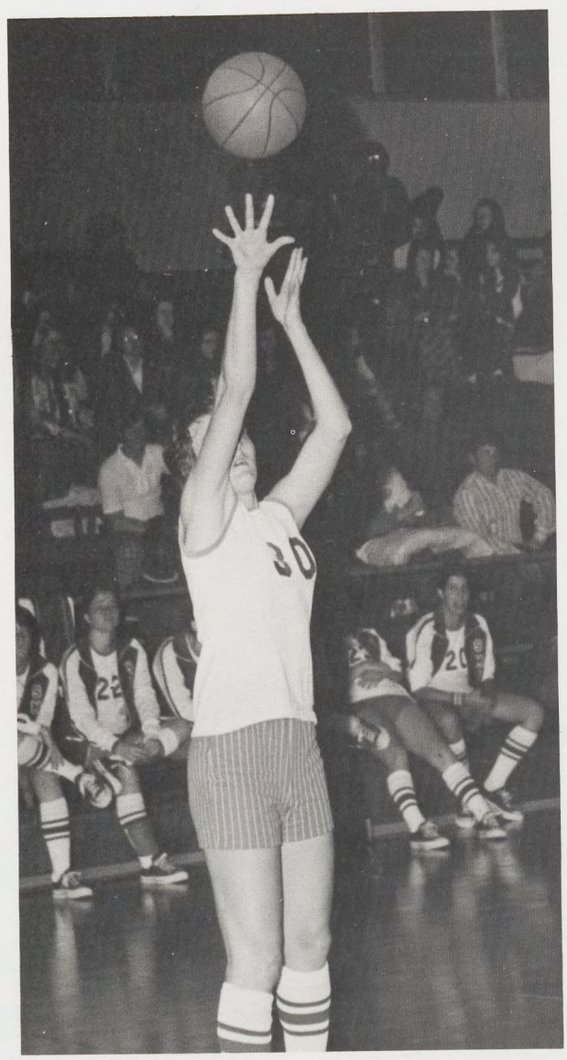

Today's player is also bigger and more effective under the net. The tall girl on our team was Carol Smith and she could rack up the points from underneath the goal.

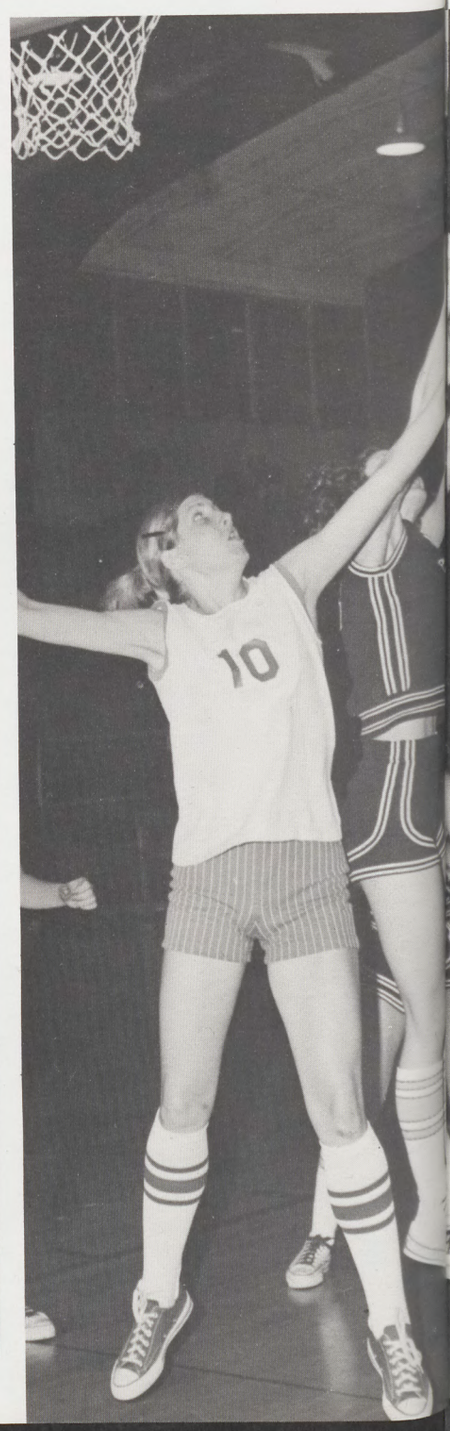

SMJC's team was undefeated for the regular season. THEY WERE GOOD!

Team Captains, Barry McNabb, Dennis Newman, and Bob Newman assure the fans of their confidence in the SMJC Football Team.

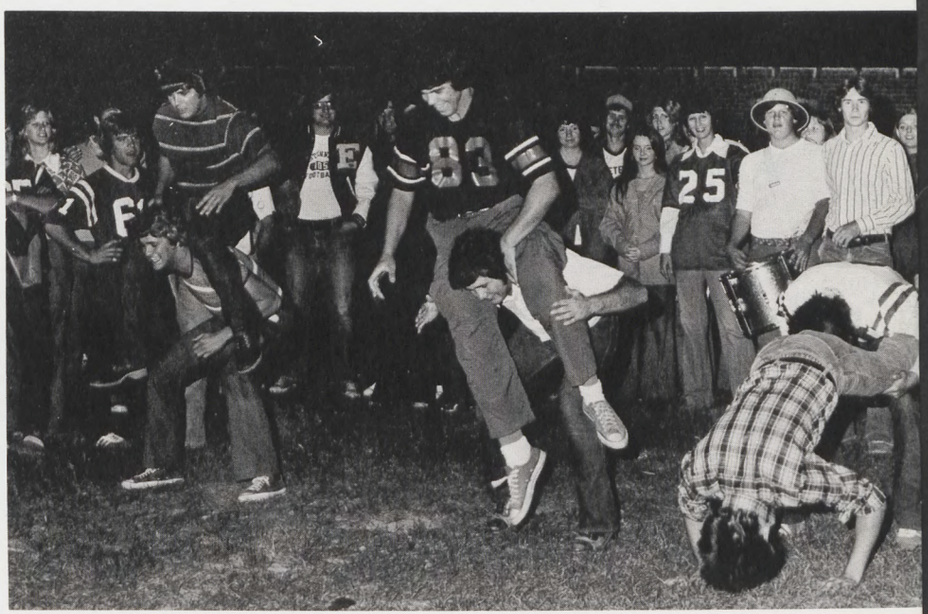

Sponsored by the Summit Jaycees, the back-to-school B.B.Q. and pep rally seem to have Randy Brown's hands (and mouth) full as he listens to the entertainment sponsored by Joe Young and Curtis Brewer.

Spirit, enthusiasm, optimism, jubilation, joviality, excitement . . . all describe our year. With our winning football, boy's basketball, and girl's basketball teams, everyone could become excited and boastful of the *Bears.*

Pep rallies, Bon-Fires, and B.B.Q.'s were some of the ways the bear fans expressed their spirit and happiness.

Our nationally-ranked gymnastics team, with over 20 consecutive wins, added tremendously to the successful year.

WIN!!

Marilyn Woods

"Win" . . . have you ever noticed what a beautiful word that is?
Southwest gymnastics coach Vannie Edwards knows how beautiful it is, because that's all his team has done in their two-year stay at Southwest.

Edwards' team doesn't know what the word "lose" means, and he makes sure that the word is not a part of his players' vocabulary.

It was his team that placed second in the nation last spring among top universities in the country.

It was his team that placed six of its members on the All-American Team: Claudia Fizzell, Deana and Debbie Johnson, Maggie Ortiz, Janie VanEman, and Marilyn Woods.

It was his team that brought the West German Team to Southwest.

It was his team that toured Europe in the winter, representing Southwest, the state of Mississippi and the United States.

Why was the Southwest team given all these honors?

Simply because they worked hard every day for four hours in a hot gym, because they refuse to listen to the word "lose" and because they were brave enough to hurdle all the obstacles that were in their path to the victory stand.

The late great Vince Lombardi once said, "Winning isn't everything, it's the only thing." I believe this statement sums up the philosophy of Coach Edwards, and the Southwest Mississippi Junior College Gymnastics team.

For the first year of the school's growth there were only eleven faculty members. Of this faculty, two had Master's degrees. There were about 40 students enrolled in the college that year.

The courses offered were: Chemistry, English Composition, History of Western Europe, Math, and Plane trigonometry.

In keeping up with a changing pace, today the college boasts 26 different departments of study and a faculty of over 45.

The English Department at all times strove to upgrade the use of written and spoken English.

English Composition, taught by Mrs. Mildred Craig, Mrs. Jean Williams, and Mrs. Helen Gregory, gave the student training in written composition. It was a study of the principles governing correctness, clearness, and effectiveness of expression. Through a study of grammar and sentence structure, the writing of themes, and extensive reading, it developed in the student an ease in the use of the language.

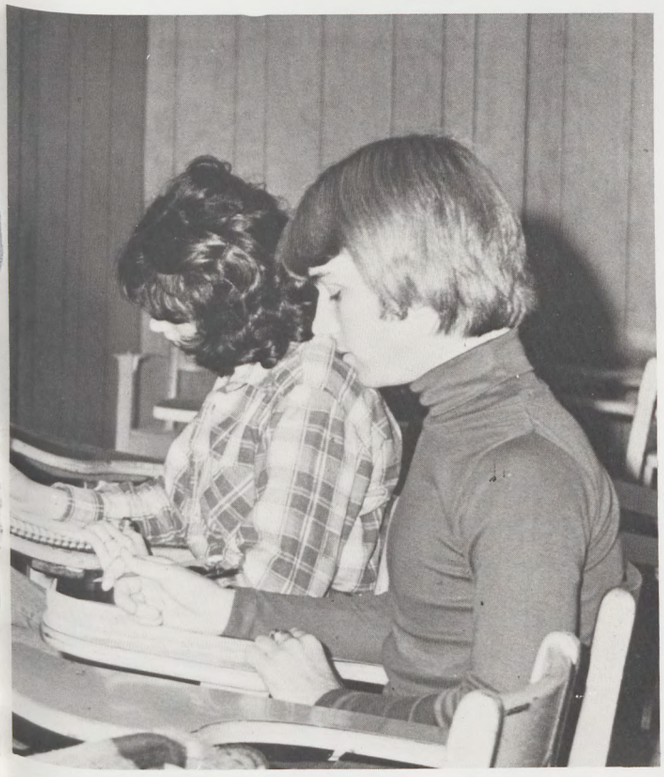

Mrs. Mary Brewer instructed Public Speaking. Chief emphasis was placed upon the delivery of carefully prepared speeches, and major attention was given to such principles of public speaking as audience analysis, collection of materials and outlining.

English Literature offered selected readings in the literature of England beginning with the Anglo-Saxon period. A study of the literature against the social, economic, and cultural motivation was the basis of Sophomore Literature. The object of this course taught by Mrs. Charles Reynolds was to give the student a knowledge of English Literature in its historical setting from Beowulf down to contemporary literature.

Serving as Chairman of the English Department and secretary of the SMJC Development Foundation, Mrs. Reynolds also taught Freshman Honors English.

The Simmons Library exists for the same purpose that SMJC exists—to foster the educational needs of the communities it serves.

The book collection complements all curricula, academic, vocational, and technical, in addition to supplying recreational materials for students and faculty. It consists of books in every subject field; Dewey Decimal is used in its organization.

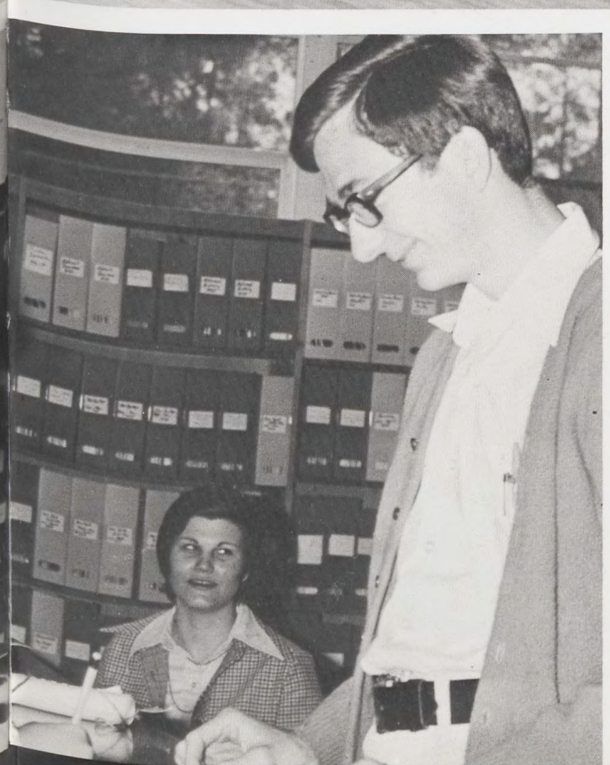

The library subscribes to 125 periodicals including some in every area as well as professional journals and some for recreation.

Along with a microfilm reader printer, Simmons Library offers a photocopier, collection of recordings, filmstrips, the Mary Cain Collection and the Simmons Collection.

French I, II and German I, II were offered at SMJC. The instructor, Mr. William Johnson, covered fundamentals of grammar, conversation, and reading. Emphasis was not only on syntax but also on vocabulary and pronunciation with practice in listening and speaking. Mr. Johnson was elected by Phi Theta Kappa as the outstanding teacher during the 1973-74 school term.

History and Social Sciences

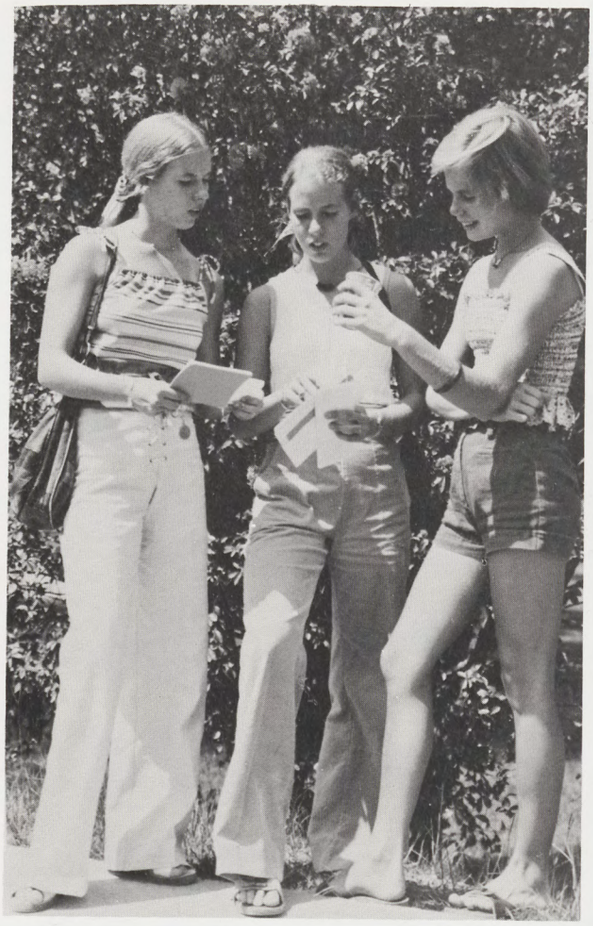

The Federal Government course taught by Mrs. Wallace, offered a comprehensive and lucid presentation of the structure, procedure, and underlying principles of American Government. It was designed to provide dynamic and socially useful instruction, and to help students distinguish between fundamental and ephemeral elements in government.

A course designed to give the student a working knowledge of our economic system was taught by Mrs. White. Economics combined a lucid picture of our system with a discussion of principles underlying the operation.

Mr. Henry Fant's class, Western Civilization, was a survey course designed to give freshmen a background for more specialized study in history.

A study of the Bible with emphasis placed upon its historical and literary value was taught by Reverand Larry Fields.

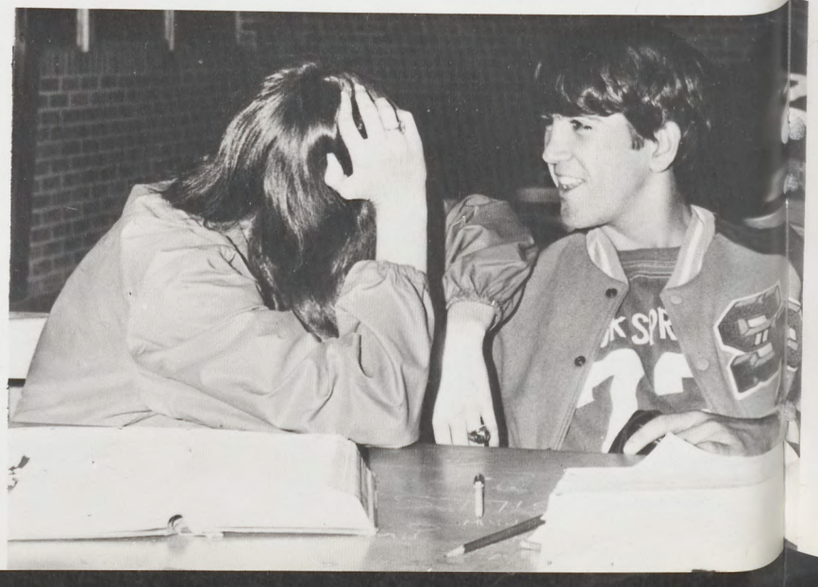

Coach Vannie Edwards taught psychology and sociology. Students studied the way people live together in society; nature and growth of personality, social groups and personal disorganization.

Mike McGraw and Jimmy McBride vie for the title of "Biggest Hog." After three banana splits and still a tie, they decided to share the title.

One night when no one had anything to study (ha), we decided to go to Lawson's for a banana split. Well, last year, John Ogden and Moose Tolbert had introduced the art of hogging to several of the students. We, the sophomores, decided to teach the freshmen how to eat a banana split. You take your hands, put them behind your back, wait for the sound to go, then really get into it. But, there is one rule—you don't wash your face until you get back to the dorm. How gross!

The curriculum of the department of science of SMJC pertaining to pre-professional courses was designed to give students pursuant to the B.S. Degree the two full years of study in chemistry, chemical engineering, general science, pre-medical, pre-dental, medical technology, and pre-pharmacy. A one year course is offered to students desiring to work toward the B.S. Degree in nursing.

Practical Nursing—Preparation, Knowledge, Skill

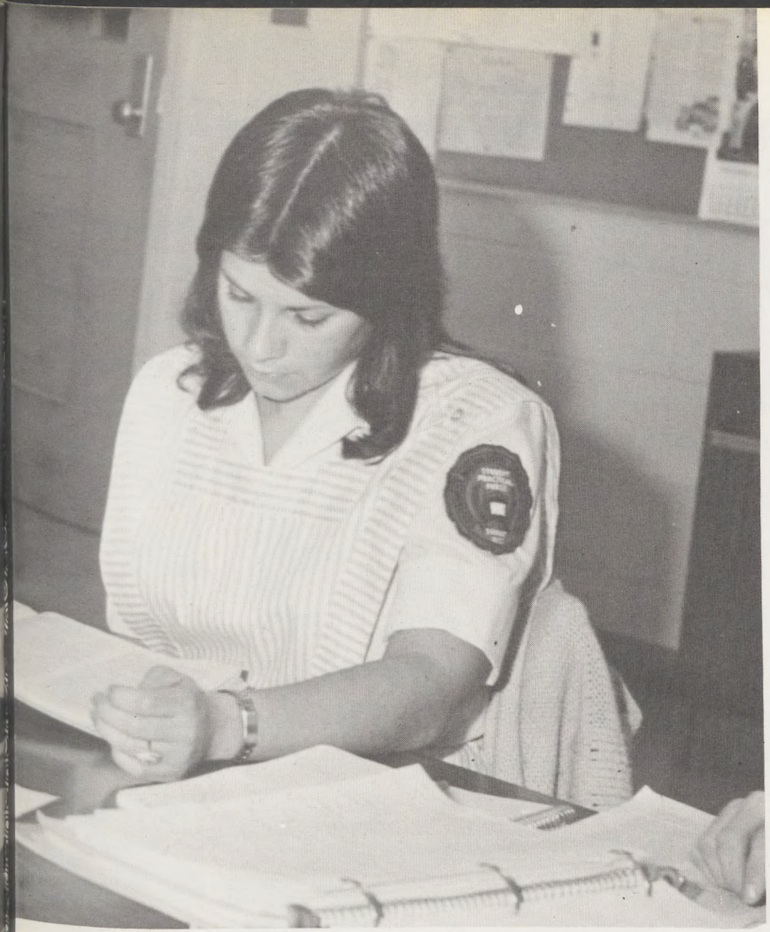

Practical Nursing is an essential part of nursing. The LPN is prepared to function as a member of the health care team by exercising sound nursing judgement based on preparation, knowledge, skills, and understanding of nursing situations. The content and practice experiences given are pertinent to practical nursing practice and are limited to those skills which can be taught well in the allotted time. The program includes classroom and on-the-job training.

The courses is divided into two portions, pre-clinical or foundation and clinical which provides experiences in hospitals. The foundation courses include Health, Normal Baby Structure & Function, Normal Nutrition, Human Development, Mental Illness and introduction to Nursing. The clinical portion relates to vocational relationships, nursing needs of people of all ages, drugs, medical therapy, and the mentally ill patient.

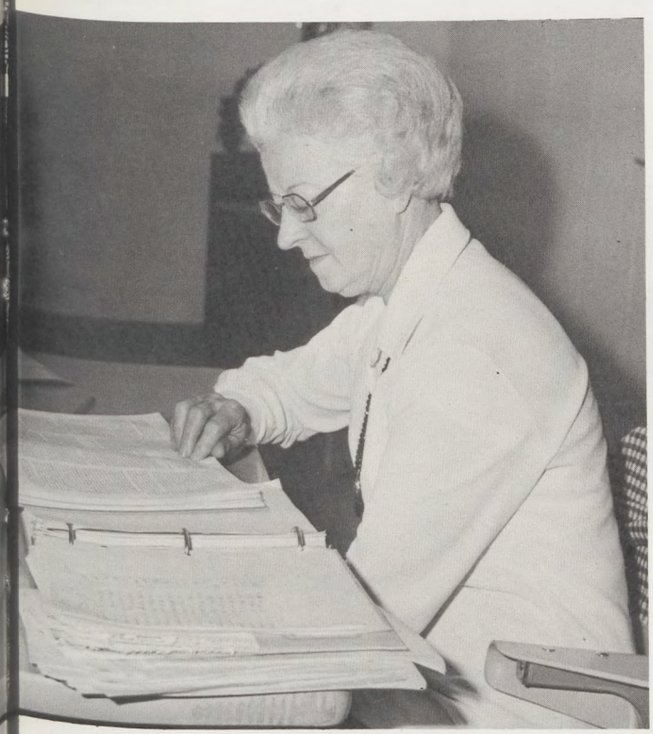

The time allottment is a minimum of 52 weeks, and upon graduation the students receive a certificate and are allowed to write the State Board Examination to qualify as a Licensed Practical Nurse.

There have been six outstanding presidents since the beginning of Southwest Mississippi Junior College. The first president was J.M. Kenna, who was appointed president of SMJC in the year 1918. He served as president of the agricultural high school for the first eleven years until SMJC was established. Kenna resigned on June 30, 1947.

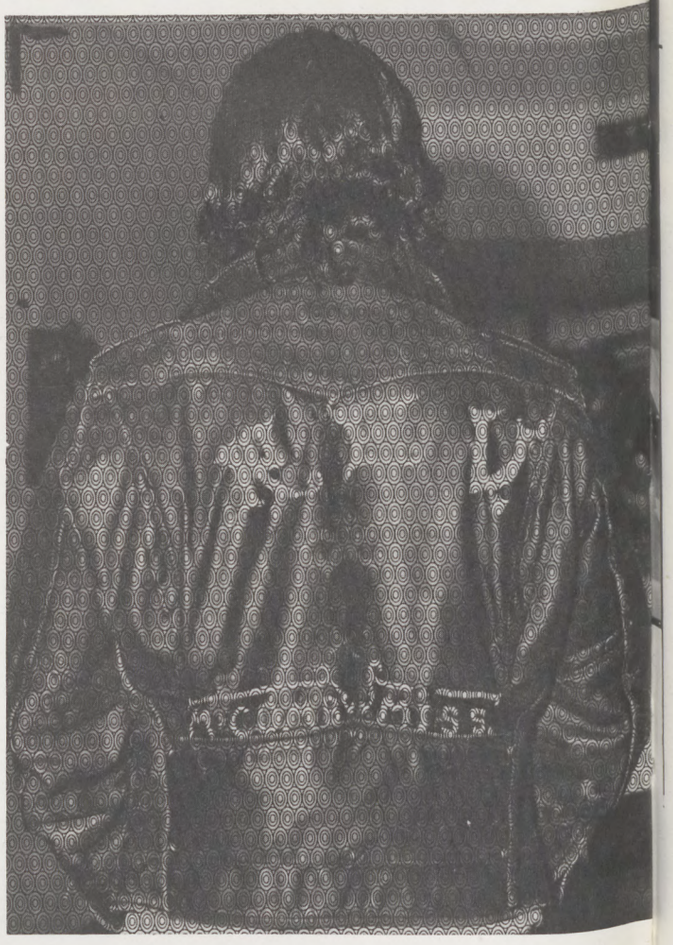

The second president of SMJC was H.D. Pickens. Although he served for only one year, he was an important person in the history of Southwest. He resigned in 1948.

The third president was C.H. Snell, appointed in August of 1948. He resigned in June of 1951.

The fourth president was C.C. Moore who was appointed in 1951.

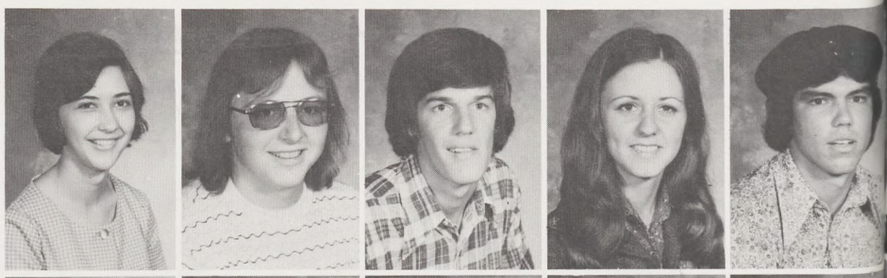

H.T. Huddleston, fifth president of the col lege was appointed in 1952 and resigned in 1972.

Presently serving as the sixth administrator of SMJC is Horace Holmes for whom our gymnasium is named.

Blue Bombers Beat SMJC Meat Mamas

"I can't believe ya'll go through this every morning!" said the cheerleaders and maids of the all male Homecoming Court.

When the girls finished putting the works on the guys they looked like girls?

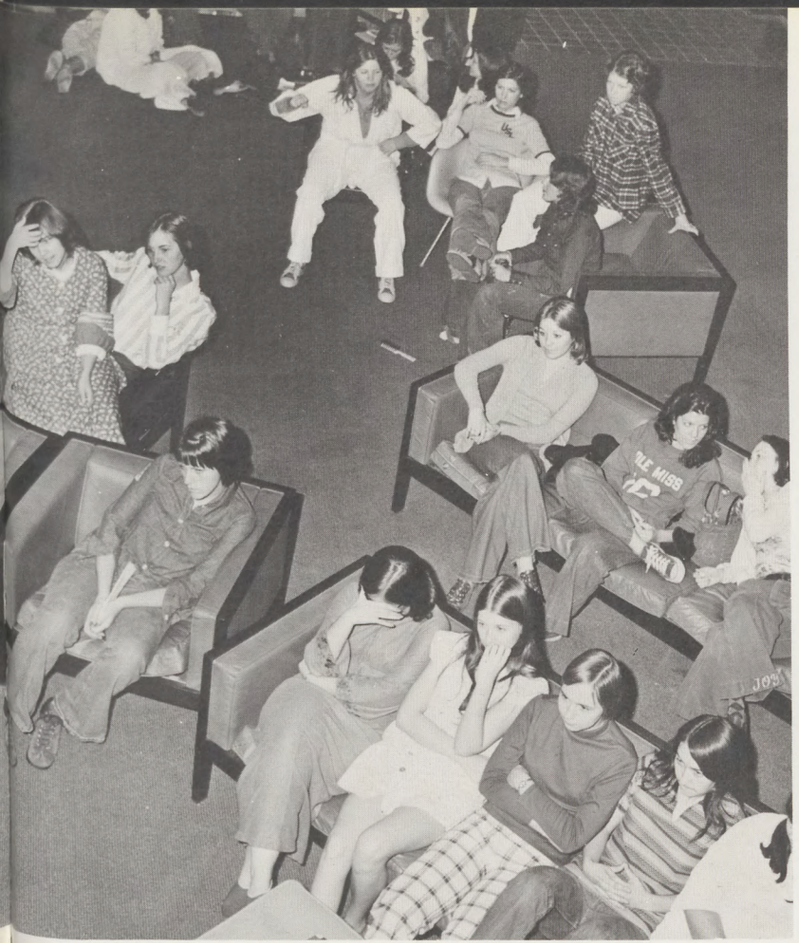

Had one seen the 6:30 setting that Tuesday night at SMJC, he might have wondered what was going on. This was the night of the big game between the freshman and the sophomore girls.

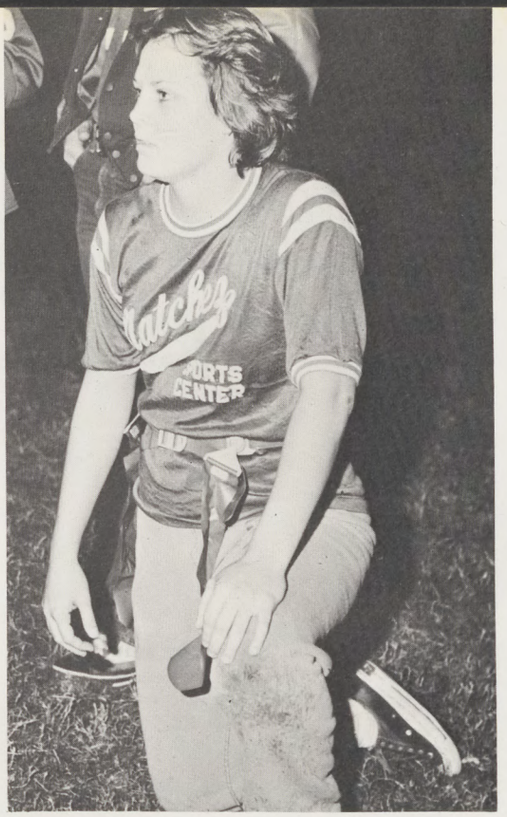

At 7:00, everyone was ready for action. Water balloons were thrown as a means for the darling cheerleaders to show spirit. It was a rough, tough, and exciting game. Sherree Sinquefield scored twice for the freshmen. Debbie "Tomahawk" O'Quin was signal caller for the frosh and Karen "Buckey" Felder quarterbacked the once undefeated Meat Mamas. The final score of the game was 14-0.

During halftime activities, Tomacino Womack was crowned the Queen. Other members of the court were, sophomore maid, Phyllis McKey, freshman maid, Rhonda Dykes, and maid of honor was quite lovely, Juliet Moncrief.

As a special highlight of halftime, cheerleader Freda Frog "got down" to the jive provided by the pep band.

The farce was MC'd by Mr. Henry Fant and Steve Stockton.

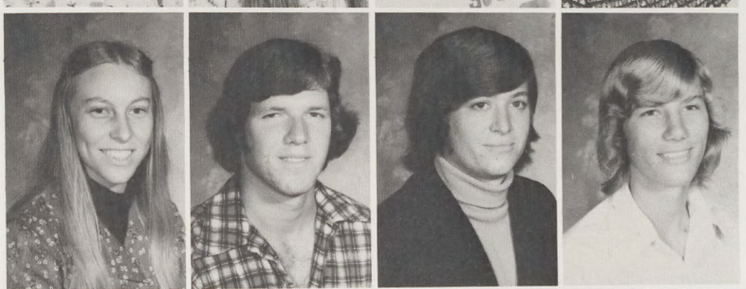

Bottom: Leading the spirit train is gymnist, Marilyn Woods. Left: Joy has a secret. Above: Named most valuable player in the powder puff action, Sherree Sinquefield watches her teammates in action.

Ten years of growing time have meant much to Southwest Mississippi Junior College. Enrollment has nearly tripled from 418 to 1,104 and expenditures have grown more than five times.

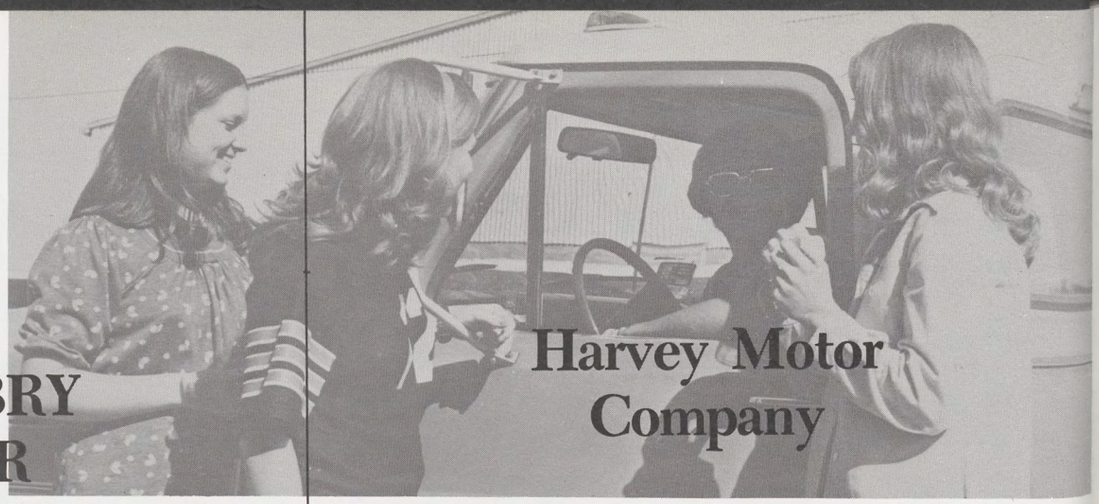

Eight buildings have gone up since 1966 alone. They include Administrative Annex to the Brumfield Building ... 1966; H.T. Huddleston Vocational Building ... 1967; W.S. Bryan Science Building ... 1969; Cafeteria and Student Union ... 1972; Faculty Home ... 1972; Men's Dormitory ... 1973; Women's Dormitory ... 1974; and a Faculty Home ... 1974.

Total cost of the eight buildings was $3,068,896. Sources of income for the construction came as $318,995 local funds, $2,367,896 state funds, and $382,000 federal funds.

These improvements pave the way for future expansion and continuing excellence. We are indeed *KEEPING UP WITH A CHANGING PACE.*

THE HAPPY, SPIRITED PLACE ~~ SOUTHWEST

Gene Phelps—Photographer

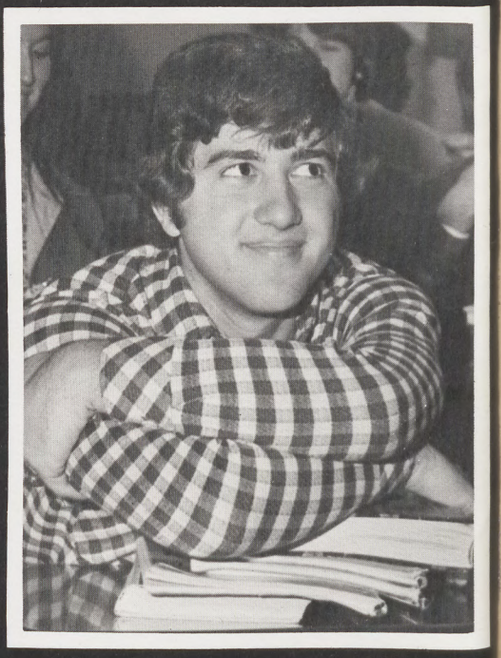

Sylvia Hartzog—Editor-in-Chief

My intention as editor of this yearbook was to capture a part of one year of your life in pictures and to give you a brief history of the place where you spent that year. It would have been impossible to capture every event of the school term in this book . . . but, I hope each of you can relate to some part of the annual, even if it's only to look up your school picture in about ten years and see how funny you used to wear your hair (or to see how much weight you've gained since that picture was made?).

Without the help of my Photographer Gene Phelps and his assistant George Lansing, these fantastic photos would never have been developed. Thanks you, guys! Also, Mr. J. Lyons Balser, Professional Photographer, thank-you for taking the Who's Who pictures. Thanks to my staff; Mrs. Neil Craig, Annual Advisor; to those who helped sell ads; to John Ball, Gene Phelps, Bulldog Morse and Lugenia Robertson for helping with the sports section; and to Roger Lawrence for the art-work on the cover.

To each of you, I wish you the best in life and may you find peace and happiness in whatever you choose to do. Remember, good friends are for keeps, so keep in touch!
